

We're launching a church wide endeavor called "Who Do You Love?" based on the Great Command to LOVE God and LOVE people (Matt 22:36-40). As a church, and as individuals we'll be asking ourselves the question,

This is a critical question. Jesus said, "Wherever your treasure is, there your heart will be also." (Matt 6:21). In other words, whatever you put your time, your talent and your money toward...THAT'S what you love.

Think about where you spend your time, talent and money, and you'll see: the question, "Who Do You Love?" runs much deeper than what it might seem at first.

From January 2008 through July 2008, we will join in more than just a sermon series – this will be a recalibration toward being the people that Jesus commands us to be: GOD Loving, CHURCH Loving and LOST Loving. It will touch nearly every part of our lives and will give us the opportunity to experience a greater sense of unity, belonging and ownership.

"Who Do You Love?" is based on AC3's "Application" curriculum: a comprehensive, discipleship program originally designed for small groups. The goal of the "Application" group was to move a person from a relatively "sedentary" spiritual life... just a church attender, who might not even understand the basics of BEING a disciple, to an ACTIVE follower of Christ, characterized by APPLYING the Great Command and possessing the knowledge and passion to CREATE disciples.

The Goal remains the same for "Who Do You Love?"...only we're going on the journey together as a WHOLE CHURCH! It's our prayer that at the end of "Who Do Love?", AC3 will be known as a church of not just disciples, but disciple MAKERS.
